

# Refer your friends to Hearing Healthcare of South Carolina We'll say thanks with \$50!

Hearing Healthcare of South Carolina is proud to introduce our Refer-a-Friend program, a program that allows our patients to refer their friends and loved ones for better hearing while earning rewards in the process. It's our way to say thank you to our valued patients and spread the word about Hearing Healthcare of South Carolina. How the Refer-a-Friend program works:

1. Fill out your information on the "Your Information" panel on this card.
2. Pass this card to a friend who could benefit from our services. Ask that friend to complete the "Friend Information" panel and bring the card to their first appointment.
3. If your friend purchases a hearing device, they should to provide the card during their purchase.
4. Your friend will receive a **\$50 discount** and you will receive a **\$50 Gift Card!**

When your friend or loved one schedules an appointment, make sure to inform a staff member YOU sent them in to guarantee credit is given for the referral.

The greatest compliment our patients can give is the referral of their friends and loved ones. Thank you for your support of our business!

Yours for better hearing,
